Get Your Summer Read On!

West Lincoln Public Library strives to include all children in the joy of reading during the summer months. Engaging children in summer reading connects families with books and libraries, builds children's confidence in and excitement about reading, and helps children retain reading skills over the summer.

TD Summer Reading Club's **Get Your Summer Read On** Day is the official registration "kick off" for the 2017 TD Summer Reading Club across Canada. Stop by any of West Lincoln Public Library's three branches on June 17 at 1pm - Kids and their stuffed animals are invited to join us for a special storytime, and then stuffed animals are invited to stay for a sleepover. What will they do while our libraries are closed? Follow our Facebook page to find out!

TD Summer Reading Club begins Monday, July 3.
